Drum	Litres	Drum	Litres	Drum	Litres

*\*If more space is required for drum/litre information, please print and complete the second page of this form letter.*

is in accordance with the contract documents and that all said applications as installed will fulfil or exceed all the warranty and guarantee requirements. We agree to repair or replace applications installed by us, together with any adjacent work which is displaced or damaged by so doing, that proves to be defective in workmanship or application with a period of **FIVE (5) YEARS** from the date of final acceptance by the Owner, or from the date of certificate of substantial completion, whichever is the earlier, ordinary wear and tear and unusual neglect or abuse excepted (and for the sake of clarity the expression "unusual neglect" includes unusual or undisclosed site conditions, damage by other trades, or failure by the Owner to maintain and cleanse the finish as specified by the manufacturer).

In the event of our failure to comply with the above mentioned conditions within a reasonable time period determined by the Owner, after notification in writing, we the undersigned, all collectively and separately, hereby authorise the Owner to have said defective application repaired and/or replaced and made good, and agree to pay to the Owner upon demand all monies that the Owner may expend in making good the said defective application, including all collection costs and reasonable attorney fees (except any claim for consequential losses).
